

Sorted Seminar Facilitators

This list of facilitators includes Facilitators, Financial Advisors, Community & Budget Advisors and Adult Educators. The Commission's Quality Assurance Framework for Sorted Facilitators defines the standards and enables the assessment of the facilitation process. The Framework enables us to recruit, train, deliver, observe, assess, report on and ensure best practice facilitation of our Sorted Financial Capability Seminars. Sorted Facilitators may charge between \$0 and \$500 to deliver a seminar, depending on what's involved in the delivery and how many participants attend the Seminar.

Anyone providing a Sorted Seminar must agree to deliver the information in a way that is neutral and impartial; and not to endorse or refer people to products, services or providers.

Interested in becoming a Sorted Seminar Facilitator?

The Commission for Financial Capability (www.cffc.org.nz) runs an annual application process each year. Please send your contact details to us at office@sorted.org.nz and we will contact you when the application process opens.
